Short Description

Do you have a plaque or plaques that you would like to see marked or would you like to contribute to a plaque within an pioneer cemetery.

Please tell us the details below of the person of who you would like to "Adopt" and we will acknowledge you in the database.

If you know of a lonely grave which has not yet been included within the data base, give us the details below and we will make a plaque and we will work with you to achieve this on your behalf.
